Dear Friend of NAWBO-LA:

Join us as we celebrate the power of women business owners and the impact of leadership at the Annual NAWBO-LA Installation Reception to be held on Tuesday, September 20, 2005, 6-9PM at the Natural History Museum of Los Angeles County in Exposition Park. As a committed supporter of NAWBO-LA and an organization dedicated to the economic development of the Los Angeles entrepreneurial community, we would like to provide you with the first opportunity to support this NAWBO-LA signature event.

The Natural History Museum serves as an especially meaningful setting for this very special event. Its featured exhibit, "Collapse?" explores the factors that affect the vitality of civilizations and the collective choices that determine their survival and success. It provides a unique context and stunning affirmation of how the decisions we make today shape both our individual and shared futures. Installation attendees are invited to tour the exhibit during the event.

Each year, NAWBO-LA attracts a group of dynamic and diverse women entrepreneurs that step up as leaders to help the organization inspire and empower women business owners into economic, political and social spheres of leadership. Once again, the Annual Board Installation Reception will attract and embrace the Los Angeles entrepreneurial community at large with attendance from public dignitaries, corporate and community representatives and the fastest growing segment of the nation's economy – women business owners.

Please find attached a detailed sponsorship packet for your review. In order for us to provide you with maximum visibility and inclusion in the printed invitation mailed to a guest list of more than 3,000, we ask that all sponsorship commitments be submitted to our office no later than Monday, August 1. We would truly appreciate your timely response to this request so that we could meet our production deadline. Please don't hesitate to contact me at (213) 622-3200 or helen@nawbola.org if you have any questions or need additional information.

Thank you for your continued support of NAWBO-LA.

Sincerely,

Helen Han
Executive Director
